EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Dennis R. Haszko on November 3, 2005.

3. The application has been amended as follows:

In the claims:

Claim 8, line 9: "said one information symbol time" has been changed to "said information symbol time".

Claim 14, line 2: "for each symbol time" has been changed to "for each information symbol time".

4. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or suggest, alone or in a combination, among other things, at least a method of decoding encoded binary information symbols as a whole, the combination of elements and features, which includes the steps of at an information symbol time, providing/updating without any backwards computation probability vectors for each state of a decoding trellis; at a next information symbol time, for each state and for every transition path of the decoding trellis, do 1) determining path/state probability; for every symbol value, do 2) determining a total probability; 3)
